

# Log cabin

Who made it: Gracie,  
alegandra and me

By: Laisha ( Laisha )

# What we used

- . Clay
- . Play do
- . Legos
- . Furniture
- . Popsicle sticks
- . A tissue box
- . Paper and color paper
- . Little bit of blue fabric
- . Bamboo box
- . Pretzels
- . Barbie stuff
- . Stuff from mission project
- . Dirt
- . Pebbles

Yummmm!!!!!! 😊😊😊

# Inside the log cabin

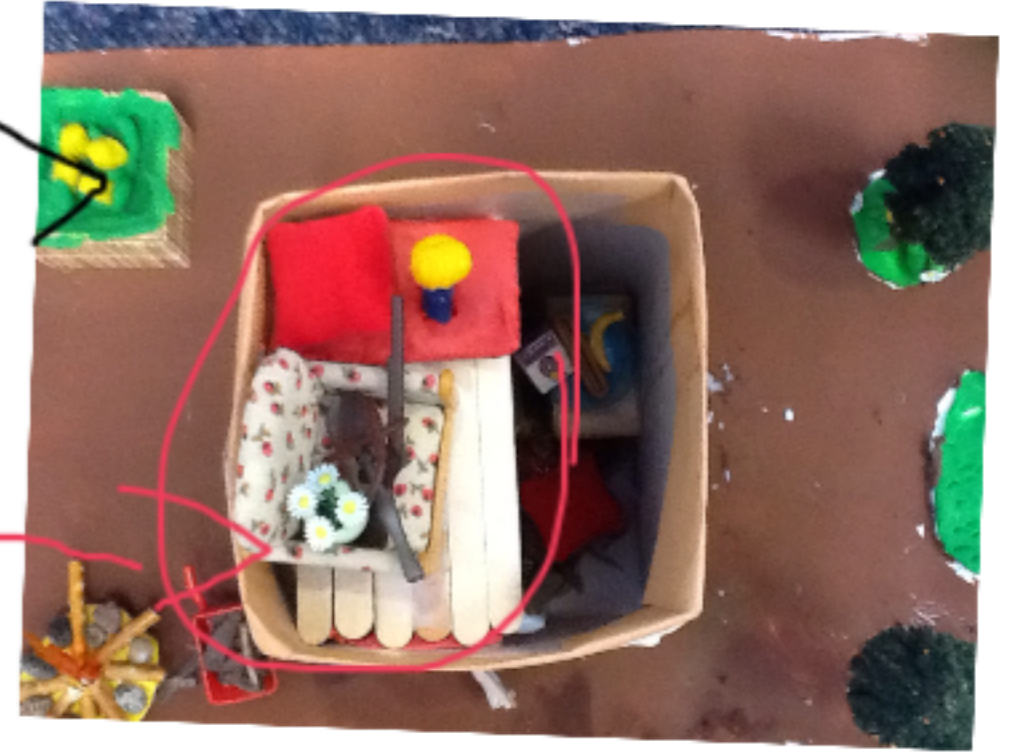

# The beautiful river

# Plan

Crop box

Second little floor

So what we were thinking was to make it out of Popsicle sticks but then we destroyed it and made the cabin with a tissue box and it was too little so we made a second little floor on the roof and helped us a lot. Then we didn't have time and couldn't find smooth soil so we painted the ground brown then at last we did the river, we started with two bits of blue fabric but it wasn't enough so I put clay on top and finished it and put details like a crab. We also made a fire with a flame and the logs were pretzels and made a little crop box with corn. That was our plan.

Thank youuuuuuu Mr.  
Doyle for letting us make  
a cabin.
