

# The log cabin

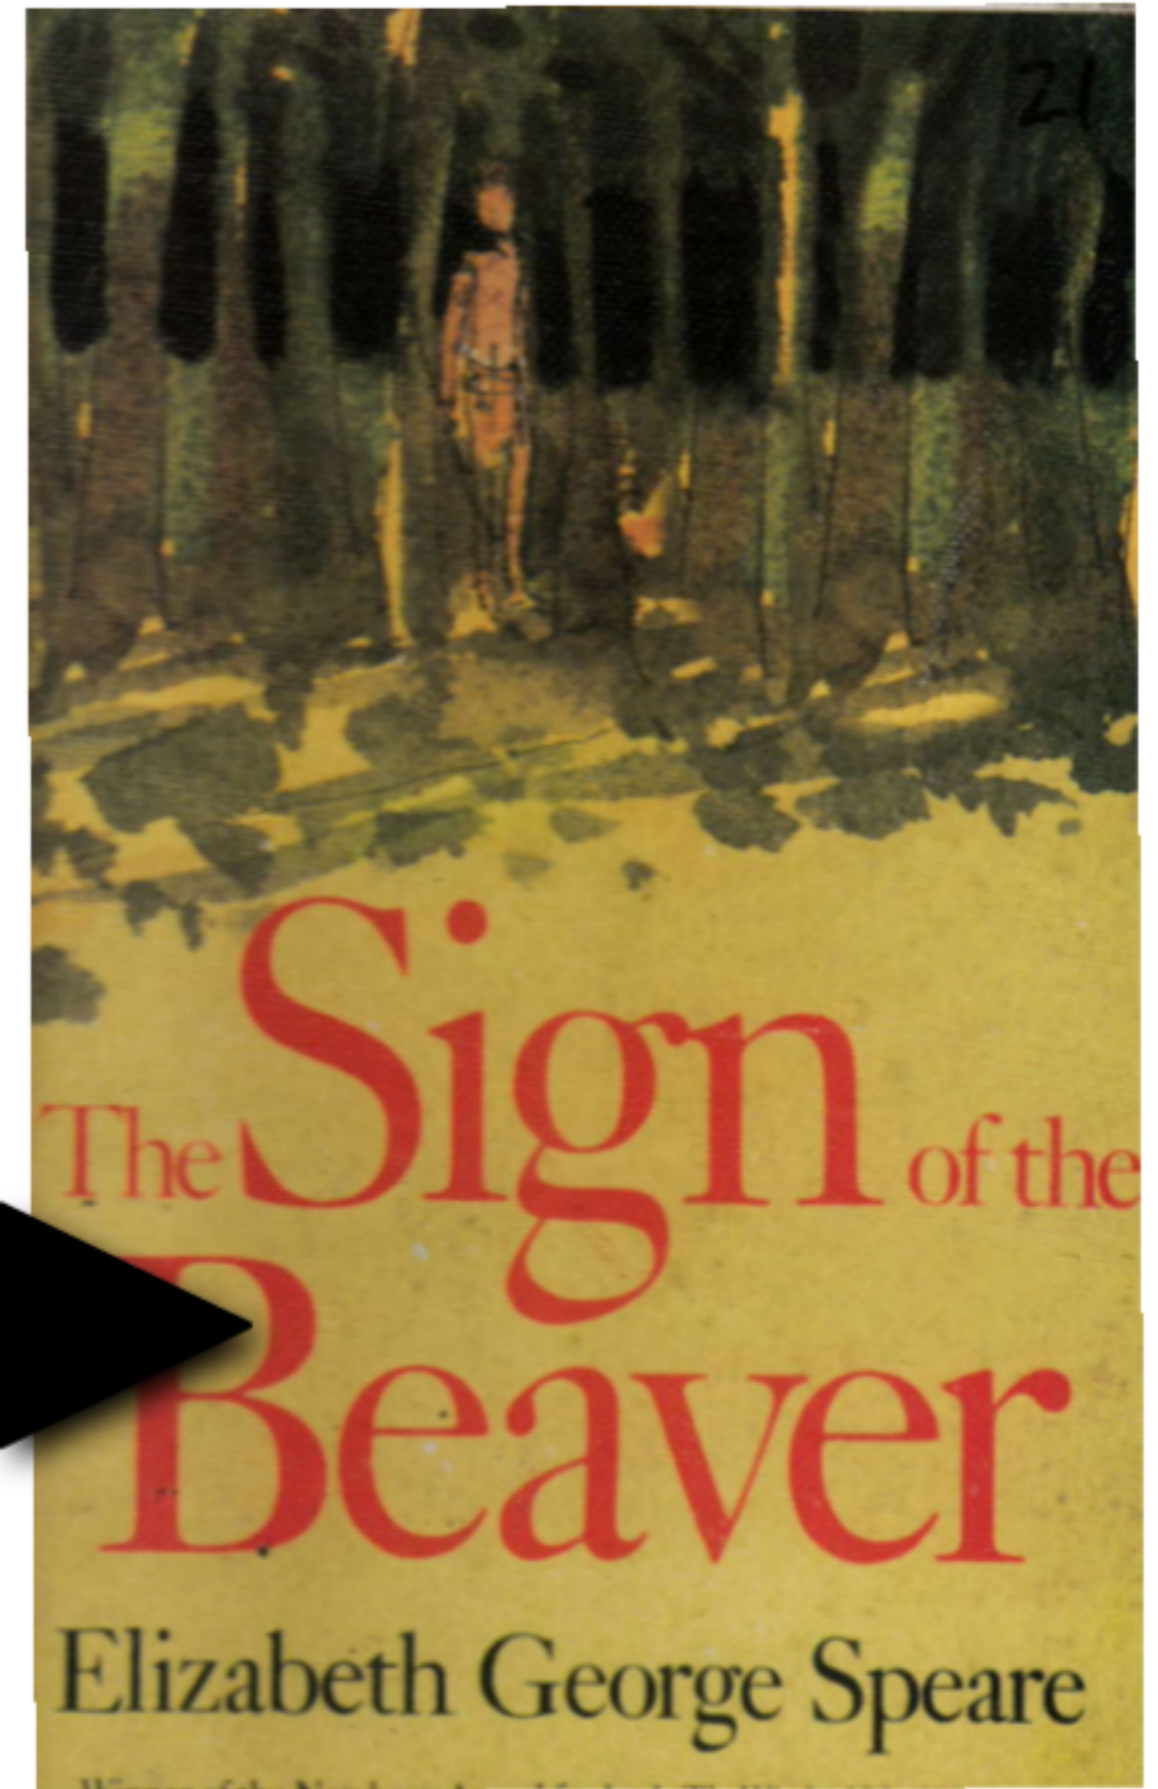

(from *Sign of the Beaver*)

**By: Gracie Bunt**

**People making the cabin: Gracie, Laisha, and Alejandra**

**A painting of a log cabin that is similar to the one in the book**

**The cover of *Sign of the Beaver***

# The materials we are using:

**Popcycle sticks**

**Littlest pet shop stuff**

**Tape**

**Glue**

**Pebbles**

**Clay**

**Playdo**

**A little bit of blue fabric**

**Paper**

**Toothpicks**

**String**

**Wire**

**Pencil**

**Barbie stuff**

**Rubber band**

# **Planning:**

***First, for the log cabin, we are building it with popcycle sticks. On the top of the roof, I got some stuff from the tree outside and tied it together with a rubber band and we will put it on top of the roof. I brought a lid of a bamboo looking jar and we covered it with playdo Alejandra brought. It was green for a little patch of grass. Laisha made corn out of Alejandra's playdo. I made a fishing pole. I made it out of wire, stretchy string, paper, a bead, and a toothpick. I also made a bow and arrow out of a toothpick, the ends of toothpicks, and a regular string. We taped the blue fabric to the paper and then we used our pebbles to surround the fabric. Alejandra brought a Barbie fishing pole, bucket of fish, food, and a splash in the water. With my Littlest petshops, I brought a table, two small couches, one big couch, and a vase of flowers to put on the shelf. That is pretty much all we planned.***

# The Project:

**We have not completely finished yet, but this is what we have so far.**
